

# AMBLESIDE PARK

## NOTICE OF CONSTRUCTION

With Spring finally here, Ambleside Projects Ltd. will be resuming construction of Phase 7 (7 lots). Construction will be taking place from May 2023 to Fall.

For the purpose of everyone's protection and safety, access in that area as indicated in the map above will be limited during the construction window.

Access to the perimeter trail will not be impacted by construction and is available from the existing access points.

**Thank you for your cooperation!**
